Membership Development Scenarios

Average Expense per Member

Average Expense vs Service Fee

Considerations

- Rebate tool available
 - Allows is to redistribute excess service fees
 - Net fee is approximately EUR 1,000
- Rewards longer term members
- RIPE NCC fee already low - lower fees may make abuse more attractive
- Membership growth uncertain
 - Current discussions on final /8, Multiple LIRs

Draft Charging Scheme 2017

- No Change to Charging Scheme 2016
 - Retain the existing Charging Scheme
- Service fee EUR 1,400
- Per PI assignment EUR 50
- Sign-up fee EUR 2,000

- Excess funds can be returned via redistribution
