Subject: ENUM delegation of E.164 country code +374 for Armenia

Dear Sir/Madam,

I am writing to inform you that I have received the reply from the concerned Member State for your report on non-functional ENUM delegation of E.164 country code +374 for Armenia.

The Ministry of High-Tech Industry of the Republic of Armenia and the Public Services Regulatory Commission of the Republic of Armenia has informed me that considering the membership to the ENUM system was implemented experimentally, and that it did not get the interest of the Communication Operators of Armenia, the Administration of Communication of the Republic of Armenia does not consider membership to the ENUM system appropriate.

It should also be noted that the concerned Member State can decide to restore the previously stopped/revoked delegation at any time. A request for restoring the previously stopped/revoked delegation will be considered as a new request.

Yours faithfully,
