Subject: ENUM delegation of E.164 country code +358 for Finland

Dear Sir/Madam,

I am writing to inform you that I have received the reply from the concerned Member State for your report on non-functional ENUM delegation of E.164 country code +358 for Finland.

The Finnish Transport and Communications Agency, Traficom, has informed me that the delegation 8.5.3.e164.arpa is no longer valid, no longer needed and there are no new delegations replacing the above mentioned delegation. Hence the concerned Member State has revoked its approval of the delegation.

It should also be noted that the concerned Member State can decide to restore the previously stopped/revoked delegation at any time. A request for restoring the previously stopped/revoked delegation will be considered as a new request.

Yours faithfully,
